Re: Zionsville Super Fund Site

Dear Ms. Vendl:

I am writing you to confirm our conversation of February 9, 1987. As I stated on the phone, we consigned the five barrels of waste perchloroetheleyne to Jones Chemical. Jones was to transport and properly handle this waste in its Beechgrove, Indiana facility. Jones Chemical was compensated by Scarp-Heilman Company to accomplish this task. We did not know that Jones Chemical was in fact, not handling this waste themselves.

In addition to the above facts, Scarp-Heilman Company was sold and ceased to exist on January 2, 1983. It was purchased by Container Graphics Corporation at that time.

It is for the above reasons we feel that Jones Chemical is, in fact, the responsible party in this matter. I have enclosed a copy of the HW Manifest for the five barrels in question for your inspection.

Please keep us informed of further proceedings in regard to this matter.

Sincerely,

James Wressell
Administrative Manager
